

Welcome to the ERTF website. The Eastern Region Textile Forum is a thriving group of like minded individuals who love to create, employing a wide range of techniques. Our members take pleasure in preparing work for our exhibitions and enthusiastically participate in our conferences. We have members from Hertfordshire, Bedfordshire, Cambridgeshire, Essex, Norfolk, Suffolk and North London and we select our venues to cater for this. I hope that after looking at our details on this website, you will consider joining us. Whether a beginner or more experienced textile artist, you will be welcome.
